Homecrest® Introduces Expanded Lineup of Trend-Forward Cabinetry and Finishes

**2010 Products Include Beautiful and Affordable
Cabinetry Styles, Finishes, Glass Inserts, and Tall and Wall Cabinets**

Whitby PureStyle™ Laminat

This spotless door design features crisp lines and an uber smooth, easy-cleaning laminat finish. **Whitby PureStyle Laminat** displays the precision of a paint and the durability of a laminat. The modified full overlay door style features wide rails and stiles, with a French cut miter design and a recessed center panel. Available in White.

Finish expansion

White is where it's at this year. Homeowners can ponder the premium painted possibilities for more affordability than ever before with two new classic transitional tone finishes from Homecrest: **Ivory** and **Alpine**. The finishes are available on lower-priced overlay door styles including Arbor, Heartland, Heritage, Jordan and Laurel. Add any of Homecrest's glazes to create an ever-popular antiquated look.

Textured glass

For those who want the ultimate in design flexibility and affordability, HomeCrest offers **textured glass options**. Antiquy, reedy, seedy and everything in between — the new factory-installed glass inserts collection helps personalize spaces and stretch budgets.

Textured glass available in six varieties including Antique, Beveled, Frost, Reeded, Rice Paper and Seeded glass styles.
