Omega[®] Opens the Door With More Design Flexibility

New Beaded Inset Series

Omega's semi-custom product offering introduces a new beaded inset series of 15 doors for a classic, tailored look. The beaded outline is ideal for use with glazes and helps bring definition to the crisp details of the door.

New door styles include **Bellehaven Slab, Bonneau Slab, Caswell Slab, Endicott, Mariposa Slab, Marquette, Marquette Slab, McKinney Slab, Pacquin Slab, Perciball, Perciball Slab, Pomeroy, Umbrell, Umbrell Slab** and **Wixon.**

Veneer Slabs

Available in Maple or Cherry woods, the new veneer door styles exude quality and easy elegance. Now available in **Desoto, Penisson, Albion, Penderel, Endicott** and **Pomeroy.**

A new **Bi-Fold Flip-Up Hinge** allows your doors to fold up and out of the way, giving your kitchen a sleek, new look.

Black Opaque

Anything but basic, Omega Cabinetry has expanded its semi-custom and custom lines to include **Black Opaque**. A truly versatile option, Black Opaque can modestly anchor a room or make a splashy statement. Available on Maple and Oak.

Turning a new style

Add depth and interest to the lines of your cabinets with Omega's new turnings. Two new turnings as well as fluted versions of two existing turnings offer more options for customization. New styles include the **Twist** and the **Pineapple**, while the **Fluted Tapered** and the **Fluted Spool** round out the line of new turnings.

Furniture

If you can dream it, Omega will build it. A new five-piece furniture line from Omega custom allows you to tailor your piece in most wood/finish/style combinations to fit your style and space.

Pieces include a **Storage Chest**, **Side Table** and a **Tall Storage Unit**, available in three variations: two doors, two doors with a drawer and four doors.

Vanity Furniture Sink Base

Omega custom introduces a beautiful vanity with clean, Parsons-type lines that can seamlessly double as an accent table, credenza or sideboard. Available in any wood and finish, the **Vanity Furniture Sink** comes in two heights and can accommodate either drop-in or vessel sinks.

Optional modifications include a towel bar, an extra shelf and a solid bottom shelf.
